Continuous sailing practice from windsurf to dinghies starting as old as 8 up to yachts skipper in 1996 at 26. I work in the yachting industry as a professional since 1992. I have more than 15 years of experience as skipper on several yacht types, 20 years of experience as sailing instructor and I possess strong sailing skills. Furthermore, I have been managing my own sailing school for 10 years, which has allowed me to gain a valuable insight into clients requests, team leadership and pragmatic project management. STCW Basic Trainings, Valid Maritime Medical Certificate, Diving Licence, FIV Federal Sailing Instructor, Lifeguard Certificate. Padi "Open water" diver. Graduated in Italian Literature and History at the "La Sapienza" University (Rome) in 1998

Military Obligation: Fireman during Italian Military Obligation at the National Fire Department - Fire Safety Officer Vigili del Fuoco (web pages: <http://www.vigilfuoco.it/>)

Other languages: English good, Spanish and French elementary

Technical skills: I reached good technical skills concerning engineering, from diesel and outboard engine, covering electrical and electronic works, up to hydraulic systems.

Computer skills: Expert user of Windows OS, ASP and PHP programmer, SQL programmer for database management. Confident user of electronic cartography and integrated navigation systems.
